

AFMC's Mission

Deliver war-winning. . .

--Technology

-- Acquisition Support

-- Sustainment

. . .expeditionary capabilities to the warfighter

AFMC - What We Do

- Accelerate **new warfighting technologies** to meet critical needs
- Provide other government agencies with **innovative technological opportunities**
- Deliver **world-class weapon systems** to this nation's warfighters
- Provide the **world's most precise and accurate armaments** to our joint and allied partners
- Surge the **parts, equipment and munitions** to our warriors
- Accelerate our **aircraft and depot item repairs and deliveries**
- Provide Security Force personnel and augmentees to assist in **CONUS force protection responsibilities**
- Provide fully trained and motivated **expeditionary combat support forces** to worldwide contingency locations

AFMC - Air Force Research Lab

Defend America by unleashing the power of innovative science and technology

Basic Research

Human Effectiveness

Space Vehicles

Munitions

AFMC - Air Force Research Lab

● = Research Lab Facilities

AFMC - Product Centers

**Design, acquire, and field new
air and space capabilities for the warfighter**

**Aeronautical Systems Center
Wright-Patterson AFB OH**

**Air Armament Center
Eglin AFB FL**

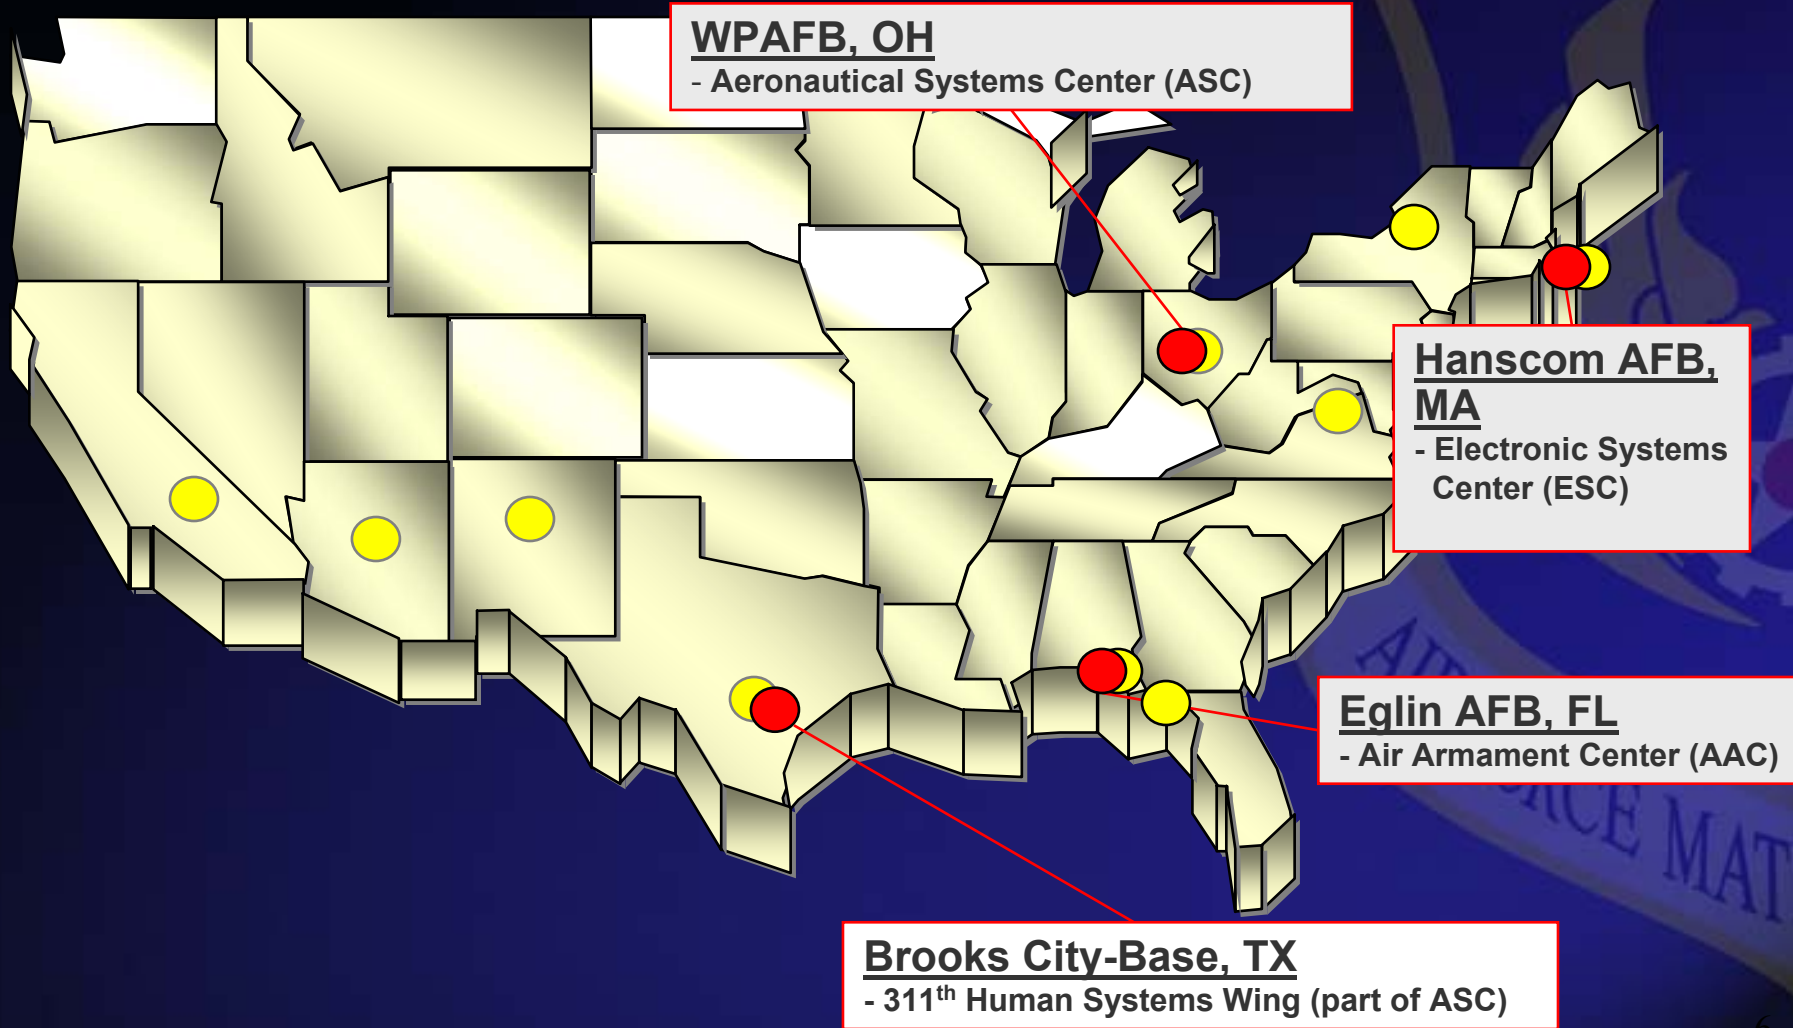

**Electronic Systems Center
Hanscom AFB MA**

AFMC - Product Centers

● = Research Lab Facilities ● = Product Centers

AFMC - Test Centers

Research, evaluate, and test air and space capabilities in a real-world environment

**Air Force Flight Test Center
Edwards AFB CA**

**Arnold Engineering
Development Center
Arnold AFB TN**

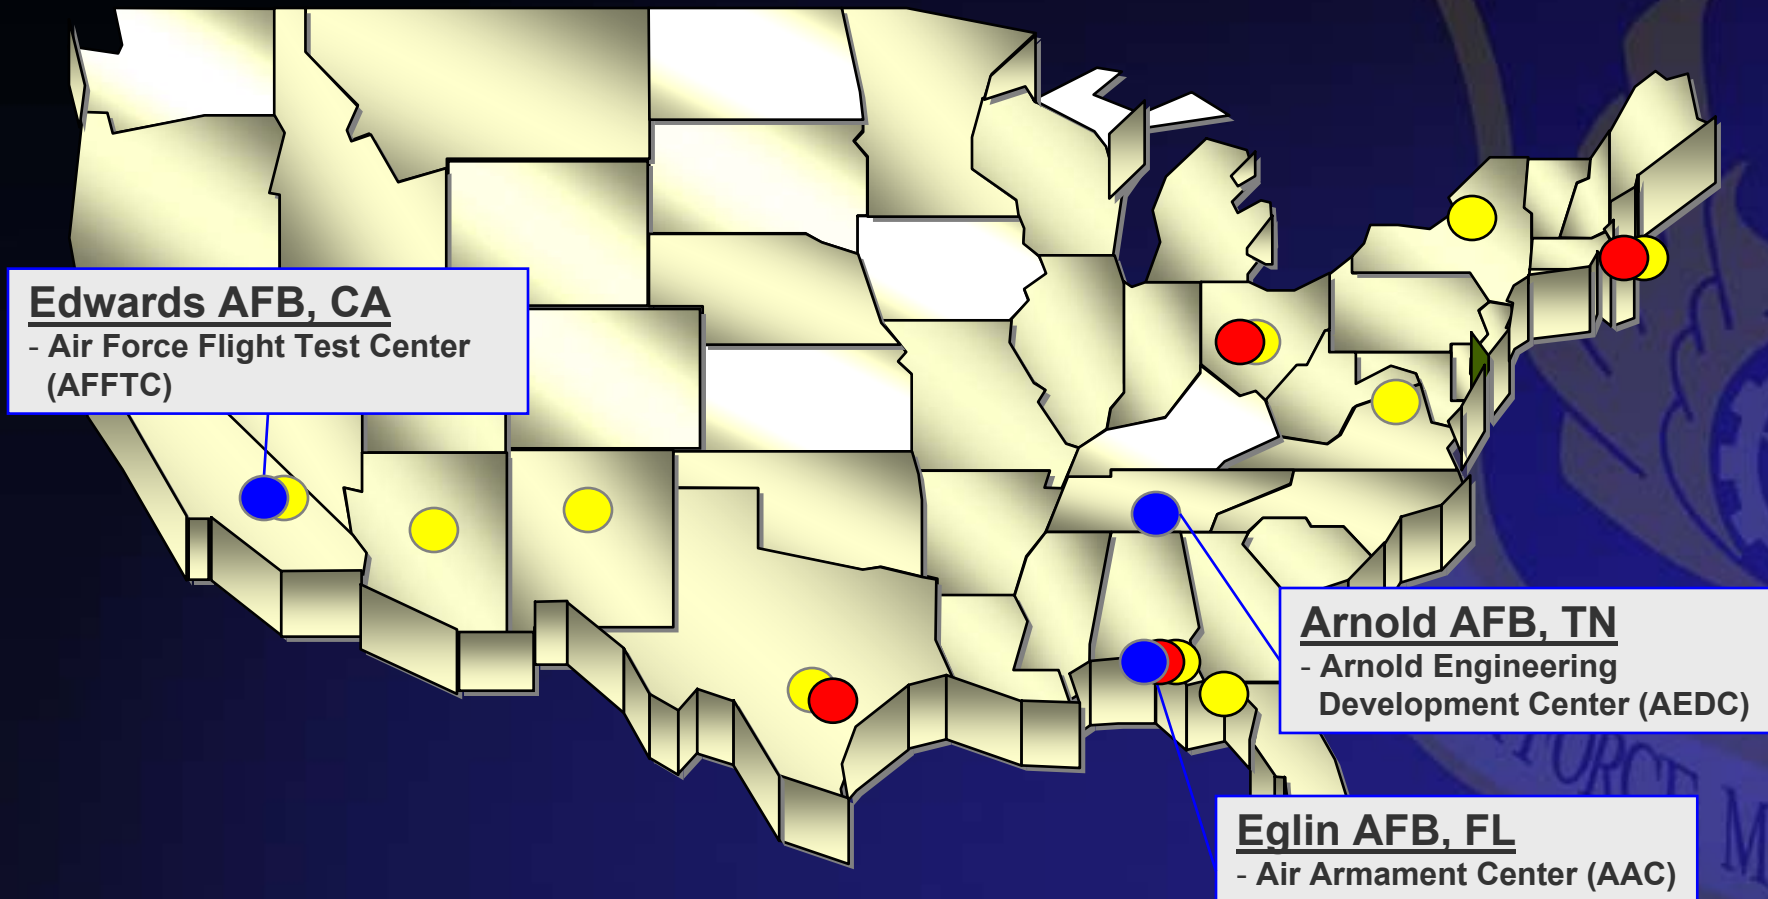

**Air Armament Center
Eglin AFB FL**

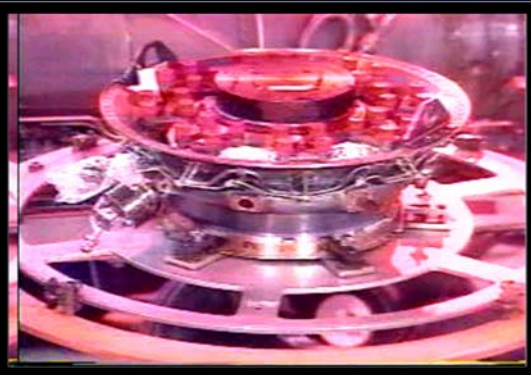

AFMC - Test Centers

● = Research Lab Facilities ● = Product Centers ● = Test Centers

AFMC - Air Logistics Centers

Provide world-class, comprehensive depot-level maintenance and repair of all USAF air and space systems

Oklahoma City ALC
Tinker AFB OK

Ogden ALC
Hill AFB UT

Warner Robins ALC
Robins AFB GA

AFMC - Air Logistics Centers

- = Research Lab Facilities ● = Product Centers ● = Test Centers
● = Air Logistics Centers

Hill AFB, UT

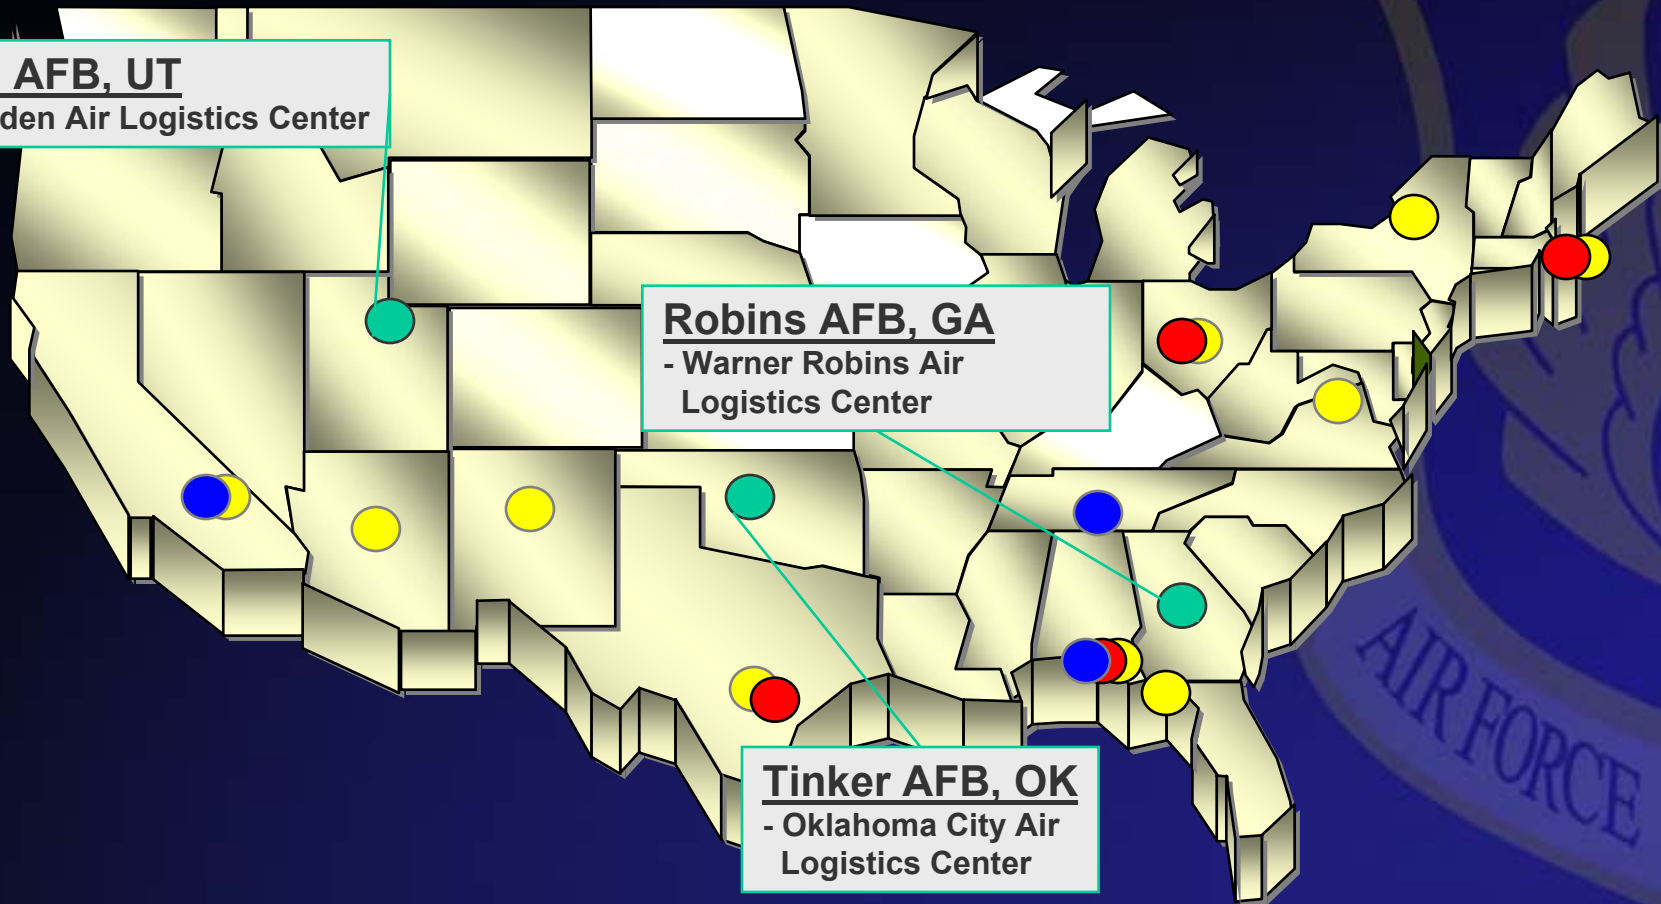

- Ogden Air Logistics Center

Robins AFB, GA

- Warner Robins Air Logistics Center

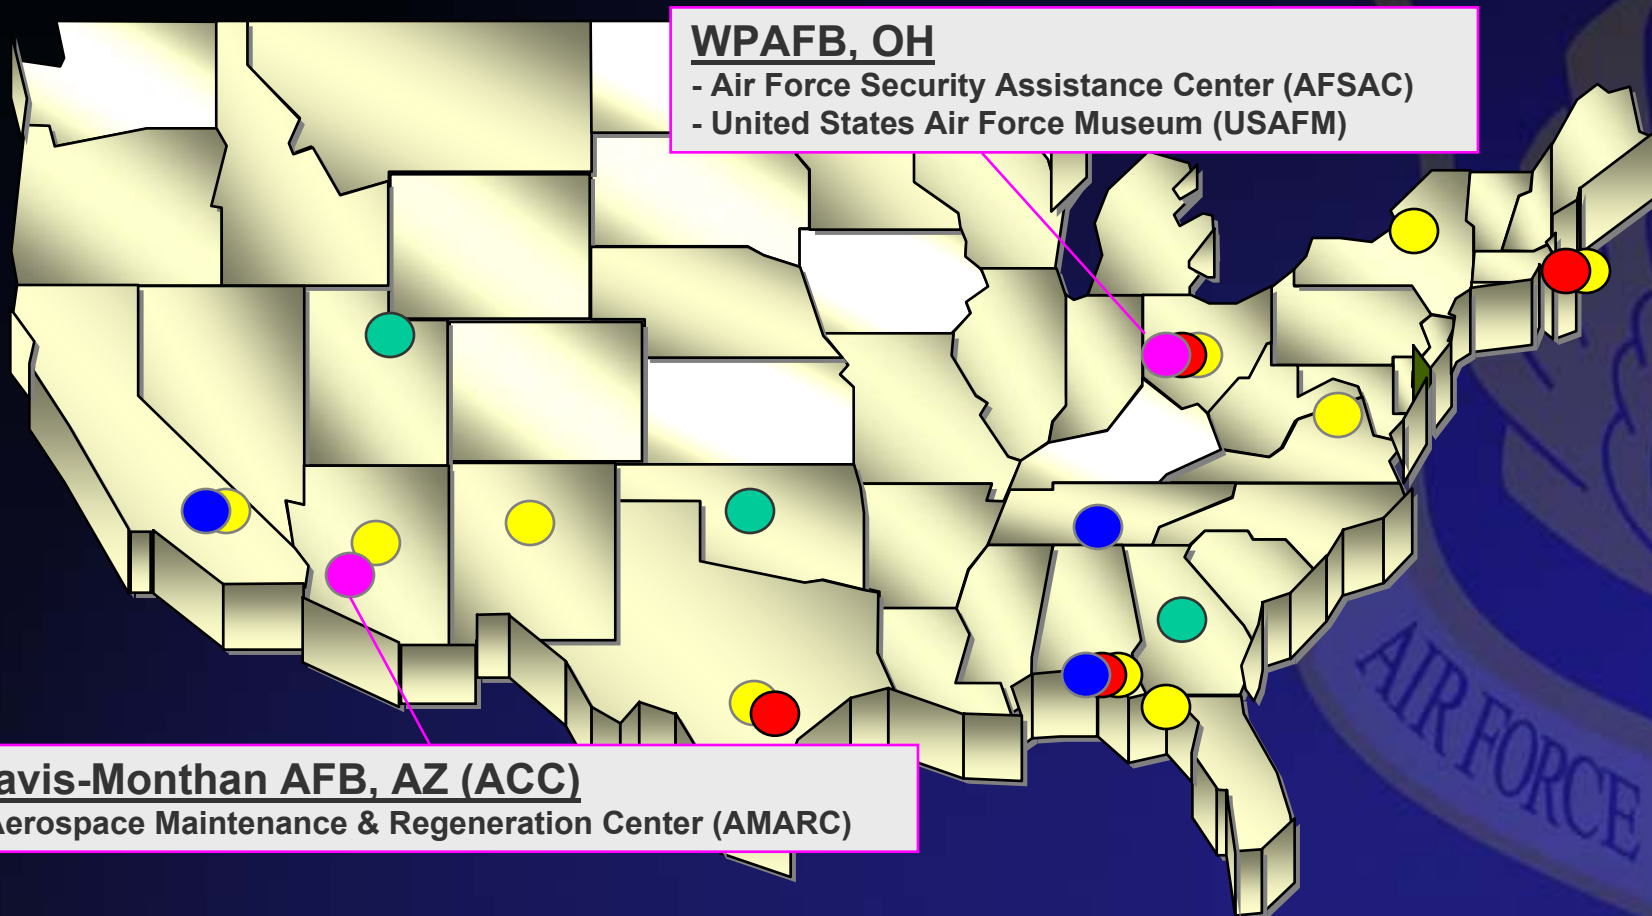

Tinker AFB, OK

- Oklahoma City Air Logistics Center

AFMC – Specialized Units

- = Research Lab Facilities ● = Product Centers ● = Test Centers
● = Air Logistics Centers ● = Specialized Units

AFMC - Our People

	<u>AFMC*</u>	<u>AF*</u>	
Officers	7,213	73,197	9.9%
Enlisted	16,196	297,276	5.4%
Civilians	<u>56,489</u>	<u>138,041</u>	40.9%

AFMC - Financial Highlights

\$44.5 Billion Managed*

**FY04 PB*

AFMC - Infrastructure Snapshot

	<u>Quantity</u>	<u>% of AF</u>	<u>AF Rank</u>
Annual Facility Budget	\$1.1B	20	1 st
Buildings	148M sq ft	22	1 st
Plant Replacement Value	\$34.6B	18	2 nd
Airfield Pavement	41M sq yd	22	2 nd
Major Bases	10	24	4 th
Housing	11,660 units	10	4 th
Dormitories	6,132 units	8	6 th

AFMC/CC's Current Focus Areas

- **Revised PEO Structure**
- **Accelerating Technology Transition**
- **Depot and Supply Management Implications**
- **HQ AFMC Structure and Alignment**
- **Attrition-Based Planning**
- **Goals and Standards**
- **Force Development and the Air Expeditionary Force**
- **Base Realignment and Closure (BRAC)**
- **Information Technology Concept of Operations**
